

## **EXPANSION OF OFFERING**

The Board of Directors of leading short term IT and AV rental group Hire Intelligence International Limited (ASX code: HII) is pleased to advise that following a comprehensive review of its existing range of short term product and people hire services it is expanding its offering to include a range of test and measurement equipment and executive search and coaching services as well as broadening the existing IT and AV product range by an additional 20 products.

A handwritten signature in black ink, appearing to read 'Tom Crage', is positioned above the printed name and title.
